

Dramatic play

"Dramatic play is crucial to all areas of learning, fostering physical, social and emotional development, expressive language and a sense of the purposes of literacy. It informs knowledge and understanding of the world and motivates the development of imagination and creativity. At deeper levels, **it helps children to learn through exploring meaning**, linking new ideas to what they already know."

The fabric is called panvelle stretch™

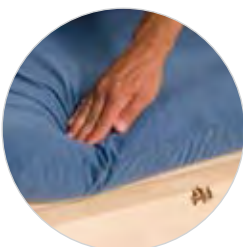

Restaurants use it because it's so tough and because it resists wear and staining. Healthcare settings count on its durability and moisture-blocking properties.

Stain resistance: Almost everything comes off with soap and water.

Moisture resistance: Nothing will get past the moisture barrier.

Breathable comfort: in hot or cold weather.

Microbial resistance: helps prevent the growth of bacteria.

Soft and durable foam.

Cushions are removable for cleaning.

The fabric has a waterproof backing. Spills wipe off with soap and water.
